

KWIC MANAGER REPORT

FEBRUARY 2010

PAUL BAUTER

MILO TOWN HALL

*Appendix 75-A
Revisions*

Revisions for Appendix 75-A, Have Been Adopted
http://www.nyhealth.gov/regulations/recently_adopted/docs/2010-02-03_wastewater_treatment_residential_onsite_systems.pdf

The major revisions in 75-A have been adopted and posted at the above web address along with public comments and the responses.

The publication of the adopted revisions will take place in the following weeks. Further training will occur in the following

months. We will keep everybody informed as to any training schedules that we become aware of .

Notices of Violations Have Been Mailed

Twenty-one notice of violations have been mailed from February 9 through February 18.

One was returned as vacated and we have obtained another address and have remailed.

Two have corrected the violations. Six more have called for information.
